Dr Ken Campos is a professional neuropsychiatrist, founder of the Schizophrenia CARE Project Foundation, host of HOPE: On the Other Side of the Door podcast and HOPE AT HOME video series that is dedicated to creating an environment for the transformation of individuals and loved ones living with schizophrenia.

Identifying as a holistic Neuropsychiatrist, medication and care management specialist, **Dr Ken** has been treating patients with schizophrenia and psychosis since 1981 which began during his Mayo Clinic Residency.

Dr Ken envisions a world with communities that support the individual, families, and caregiver(s) to embody a strong foundation of balanced, healthy, meaningful, and respectful lives. The vision is to cultivate optimal living for those diagnosed with schizophrenia.
